FRESTO DECORATORS KENYA LIMITED

COMMITTED TO THE BEST

Established in 2012 in Nairobi, Fresto Decorators Kenya Limited specifies and applies painting, decorative finishes and specialist coating systems for residential, commercial, institutional, automotive and industrial environments across Kenya.

CAPABILITY AREAS

- **Residential finishes** — Beautiful, durable interiors and exteriors made personal to the people who live there.
- **Commercial environments** — Professional spaces and high-traffic areas finished with purpose and precision.
- **Decorative expression** — Texture, feature walls and distinctive finishes that give a space its signature.
- **Automotive coatings** — OEM and refinish solutions focused on colour consistency, finish quality and protection.
- **Industrial & protective** — Coating approaches for demanding structures, equipment and environments.

OUR APPROACH

We match each project with the right preparation, product system and application method so that colour and protection perform in real Kenyan conditions — not only on a sample board. From site conditions to final inspection we work to one standard: clear specification, careful execution and accountable handover.

ENGAGEMENT STEPS

1. Enquiry via form, call or WhatsApp
2. Site assessment and system recommendation
3. Transparent quotation (KSh 1,000 commitment fee is fully deductible if you proceed)
4. Execution with documented quality checks
5. Handover and aftercare guidance
